## Catechetical Sunday September 17th or when your parish can best celebrate! *Living as Missionary Disciples*

Those who the Community has designated to serve as catechists will be called forth to be commissioned for their ministry. Catechetical Sunday is a wonderful opportunity to reflect on the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. Catechetical Sunday is an opportunity for all to rededicate themselves to this mission as a community of faith.

*Be sure to include: catechists, youth ministry teams, RCLA teams, Adult Faith Formation teams and Catholic School teachers!*

Find articles, clip art, prayer cards, customizable catechist certificates, Commissioning service, and promotional information at <http://www.usccb.org/beliefs-and-teachings/how-we-teach/catechesis/catechetical-sunday/index.cfm>

### “Share the Journey

Pope Francis is being joined by bishops across the U.S. and around the world in launching a global campaign to support our brothers and sisters who have fled their homes seeking a decent and safe life for their families. This historic campaign, “Share the Journey,” will respond to some of the most desperate of God’s children and your leadership and inspiration is needed.

You can help your diocese, parish, school or other organization participate in the “Share the Journey” campaign along with Pope Francis, the U.S. Conference of Catholic Bishops (USCCB), Catholic Relief Services (CRS), Catholic Charities USA, and the Church’s global charitable network, Caritas Internationalis. Through prayers and acts of compassion and support, you can help shape conversations and actions to answer the Gospel call to love our neighbors.

**September 27:** *The official launch in Rome by Pope Francis*  
**October 7-13:** *Week of Prayer and Action across the U.S.*

A website with resources for parishes, schools, universities, national organizations and other groups will go live the week of September 5.

#### World Day of Prayer for the Care of Creation

In parishes, diocese and other Catholic organizations, we encourage efforts to bring about discussion on issues affecting the environment (climate change, consumption, pollution, stewardship of the land) that is civil and constructive, that invokes the virtue of prudence in seeking solutions, and that is more responsive to the needs of the poor, both here in the United States and abroad.

## Young Adult Ministry

**Calling all young adults and  
those who know, live, or work with young adults**

To involve young people in preparations for the Synod of Bishops on youth in 2018, the Vatican has released an online questionnaire to better understand the lives, attitudes and concerns of **16- to 29-year-olds around the world**. The questionnaire can be found on the synod's official site: [youth.synod2018.va/content/synod2018/it.html](http://youth.synod2018.va/content/synod2018/it.html) and is open to any young person, regardless of faith or religious belief, or opinions from this age group regarding life, attitudes and concerns about our world. Please follow this link to read the news story and to fill out the survey! In keeping with the October 2018 synod on "Young people, faith and vocational discernment", the diocesan young adult ministry has developed two surveys so that we can better meet the needs of the young adults in our diocese.

If you are a young adult between 18 and 39, please complete the survey found at

<https://form.jotform.us/71016057908152>

If you are a person who lives with, works with, or know young adults, please complete this survey.
