

a quick and practical guide to DIOCESAN COMMUNICATIONS

OUR VISION

Effective communication takes time and energy, and can sometimes feel like the return on the investment isn't worth it. But in the Diocesan Communications Office, we are here to support your unique efforts to reach out to parishioners and community members. We strive to honor others by making excellence and accuracy a top priority, and we desire to help make every interaction, whether spoken, printed or digital, a moment of encounter with Jesus Christ.

We are excited to highlight the good work that you do, so keep us in the loop! We look forward to serving you!

COMMUNICATION QUICK FACTS

- If you are contacted by a representative of the media for any reason, call the Communications Office for assistance before responding.
- If you would like to use any graphics created by the Diocesan Communications Department, please email us so we can send you the best quality version of the graphic for you to use.
- If you would like to see photos of your event printed in *The Catholic Compass*, please be sure to use a camera rather than a phone, and do not edit or compress the photo before sending.
